## NOTIFICATION

**Subject: Rescheduling of University Annual Cultural Festival "SANGEETAM 2026" due to likely administrative and security arrangements**

In continuation of the University's event calendar and preparations already initiated, the Annual Cultural Festival of the University titled "SANGEETAM 2026" was scheduled to be organised from **13 February 2026 to 15 February 2026** at Shobhit Institute of Engineering & Technology (Deemed-to-be University), Meerut.

It has come to the notice of the University through media reports and official-level inputs that during the same period, **high-level administrative/security arrangements and movement regulation measures** may be implemented in Meerut city and nearby areas, which may involve **traffic diversion, crowd-control protocols, deployment of police/security personnel, and restrictions on public movement and assembly.**

Since the proposed venue of such administrative arrangements is understood to be in close proximity to the University campus, the conduct of a large-scale cultural gathering involving thousands of students and visitors may create unavoidable logistical challenges and safety concerns.

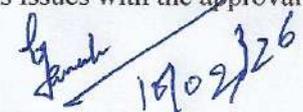

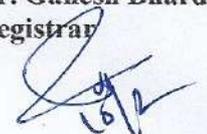

Therefore, in the larger interest of **public safety, student security, administrative convenience, and smooth conduct of civic arrangements**, the competent authority has decided to **reschedule "SANGEETAM 2026"**.

Accordingly, the event "SANGEETAM 2026" scheduled during **13-15 February 2026** stands **postponed/ rescheduled**, and the revised dates shall be notified separately.

This rescheduling shall be treated as arising due to **unavoidable circumstances beyond the control of the University**, including likely governmental/administrative restrictions and security-related arrangements, and shall be governed under the principle of **Force Majeure / Act of State**.

All concerned departments, faculty coordinators, student committees, and service providers shall ensure necessary rescheduling and continuity of preparations as per revised dates to be issued shortly.

This issues with the approval of the competent authority.
